ELIGIBILITY CRITERIA for the Missouri Department of Agriculture, Agriculture Scholarship.

- Only one application accepted per Missouri high school senior who will be an entering freshman for the 2004-05 academic year.
- An eligible student must be from a rural background with income from a Missouri family farm, reported on Federal Tax Form 1040 Schedule F or comparable corporate form for the previous year.
- The student will be eligible only if their designated major and university/college are shown on the attached participating universities/colleges designated majors sheet.
- All applications must be received by the Missouri Department of Agriculture, Division of Market Information & Outreach postmarked no later than MARCH 1, 2004.
- Checks will be awarded to the selected recipients on their first day of attendance of the fall semester. Checks will be made payable to selected recipients.
- The scholarship is non-renewable.
- All courses must be completed at their designated college or university.
- The scholarship is nontransferable to a different university or college.

SELECTION OF RECIPIENTS:

- Fifteen non-renewable Agriculture Scholarships in the amount of \$500 per student will be awarded annually to high school seniors planning to attend designated Missouri universities/colleges which offer a bachelor's degree in agriculture and/or related family and consumer sciences.
- Eight non-renewable Agriculture Scholarships in the amount of \$250 per student will be awarded annually to high school seniors planning to attend a designated Missouri junior college which offers an associate degree in agriculture and/or related family and consumer sciences.
- Applications, after being reviewed by Missouri Department of Agriculture personnel, will be sent to the university/college of the applicant's choice for selection of the winning recipient.

RETURN COMPLETED APPLICATION POSTMARKED NO LATER THAN MARCH 1, 2004 TO:

**MISSOURI DEPARTMENT OF AGRICULTURE
